

## CANNOT WORK OR PLAY

When you are run down in health so that it impairs the efficiency of your work as well as your power to enjoy the pleasures of life it is time that you gave Dr. Williams' Pink Pills a trial. The condition that doctors describe as general debility when they describe it as all is outside of the experience of most physicians until the blood has become so impoverished that it can be called anemia. Unless this condition of bloodlessness has been reached you simply complain of failing energy, loss of appetite, constipation, lack of ambition and animation. If you are well-to-do your physician will probably advise a change of climate. If not, he will tell you there is nothing much the matter with you. He means that there is no organic trouble.

But the blood is thin and the whole system lacks tone. The blood goes everywhere, practically, and improving the quality of the blood by using Dr. Williams' Pink Pills, tones up the whole body, improves the appetite, quickens the step and puts a new punch in life generally.

Dr. Williams' Pink Pills for Pale People are sold by your own druggist or will be sent direct by the Dr. Williams Medicine Co., Schenectady, N. Y., at fifty cents a box.

## HAVE COLOR IN YOUR CHEEKS

Be Better Looking—Take Olive Tablets

If your skin is yellow—complexion pallid—tongue coated—appetite poor—you have a bad taste in your mouth—a lazy, no-good feeling—you should take Olive Tablets.

Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study with his patients.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color.

To have a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days you must get at the cause. Dr. Edwards' Olive Tablets act on the liver and bowels like calomel—yet have no dangerous after effects.

They start the bile and overcome constipation. That's why millions of boxes are sold annually at 10c and 25c per box. All druggists. Take one or two nightly and note the pleasing results.
